4 Saxtead Green Management

The Chairman outlined the New Management of Saxtead Green and introduced Roland Bull and Rebecca Sharpe from Bidwells who now Manage the Green on behalf of Pembroke College, they outlined their intention of carrying out a Tree survey and from this draw up a plan to cut back trees and to remove Ivy that is slowly damaging some trees.

The over grown vegetation on the Green will be cut back over a period of time and the Green will be either cut for hay or clipped and collected as agreed within the agreement with Rural England, the areas to be addressed were shown on a map of the Green, letters are to be sent by Bidwells to properties adjacent to the Green, explaining the new arrangements for management of the Green.

5 The Clerk gave a report on the Finances of the Parish.

6 Public observations , John Handley asked , would it be possible to change the "Give Way" signs on approach to the A1120 with "Stop" signs, this to be addressed at a future Council meeting.

The meeting ended at 8.40 pm.
