

Neighbourhood Watch Scheme Report 2023

- Paul Wale took over as Saxtead Neighbourhood Watch co-ordinator in September 2022
- Around the same time, the village survey was issued and this provided a simple way for people to join the scheme - which helped to increase membership significantly
- The survey results also suggested that people generally feel safe in our village, but they want to know more about what they can do to avoid becoming a victim of crime
- Watch members receive updates on relevant matters including local crime information bulletins shared via Suffolk Police Connect and important communications from the central and Suffolk NW schemes, including tips and advice on everything from window locks to bitcoin scams
- If you are interested in joining the scheme, please contact saxteadNW@gmail.com
